Art in Motion: A Celebration of Talent and Culture

Our school came alive with creativity and energy during the Art in Motion event celebrated from November 19 to 21, 2025. Students showcased a variety of performance arts including theatre, singing, and dancing. The event was a wonderful display of their hard work, dedication, and talent.

One of the highlights of the event was the Sufi Kalaam performed by our secondary students. Their voices and expressions created a moving and memorable experience for everyone present.

Another special performance celebrated the cultural diversity of Pakistan through songs in different regional languages. It was mesmerising to see how these young children had learned songs in Sindhi, Punjabi, Balochi, Kashmiri and Pashto, bringing to life the music and traditions of our country. Their performance reflected both pride in their heritage and the beauty of unity in diversity.

It was inspiring to see the students perform with confidence and enthusiasm. The event reflected their creativity, teamwork, and love for the arts, leaving the audience entertained and appreciative of their efforts.

The heartfelt performance of 'Daaman Lagiya' by our secondary students left the audience inspired and moved.

A Performance to Remember

We were all filled with pride as our young singers delivered a beautiful and heartfelt performance at the closing ceremony “Qauz e Quzah ke Rung” on Thursday, November 27, 2025. The melodies that once echoed through classrooms during practice came alive on stage, showcasing their weeks of dedication.

Guided by their teachers and our talented musicians, the students sang classical and folk pieces with confidence and expression. Their careful warm-ups, repeated rehearsals, and mindful vocal breaks clearly reflected in their performance. Every note, whether steady or challenging, showed how much they had grown in rhythm, harmony and stage presence.

Their collective effort transformed the event into a truly magical experience, leaving the audience moved and appreciative of the talent and spirit our students possess. The applause that filled the school quadrangle was a testimony to their commitment, perseverance and love for music.

We are immensely proud of our students for bringing their performance to life with such grace and confidence and creating a musical moment that will be cherished by all who witnessed it.
